Instructions

1. Please select the correct table to submit your proposal. The appropriate approach is to delete other types of tables. For example, if you are submitting a workshop, delete the other three, such as individual presentation, panel session, and poster.
2. You can submit a word document or a pdf document.
3. Please name your file as: Category-family name of the presenter-title. The four categories are IP (Individual Presentation), PS (Panel Session), W (Workshop), and P (Poster). For example, if Dr. Williams submitted a poster titled "Philosophy of Place", the file name should be "P-Williams-Philosophy of Place.docx" or "P-Williams-Philosophy of Place.pdf."
4. To answer the question "Which subtopic do you submit to? ," please copy the subtopic into the table. Subtopics are those below the general direction listed in the "Call for Proposals."
5. Please submit your proposal to the following e-mail address : nwc.annual.meeting@gmail.com.
6. If you have any further questions, please feel free to contact us via the email above.
